

2017-2018 Check-in Process

Check-in for all families will be done online! Please complete the check-in for your student(s) before the Back-to-School Nights at:

<https://my.cherrycreekschools.org>

You will need the email address that you used last year to check-in (you will find the email address you used last year on your child's final report card). If you are new to the district and have never gone through this process, you will need to set up an account first.

Once you have successfully completed the online check-in process, you are all done, nothing else to do!

If you have successfully completed your check-in, you may call the office as early as August 4th to find out who your child's teacher will be this year.

Call the main office at 720-886-3600 if you need assistance with the online process.
